Hi Ehud,
Thank you for your caring thought but I am a prudent investor you loose it quicker than you make it :)
Definitely I am still interested in reporty and I would be planning a trip more mid September. Pls let me know if this is convenient for you and we can confirm the dates so there is no misunderstandings as last time
I hope you enjoy your summer and if you happen to Be in Spain or Italy let me know
Have a wonderful time
Nicole

Hi Nicole
I'm finally back in IL.
Hope U R well and happy.
Hope you're not invested in China and HK stock exchange and not having ordered major deals in NY in the last 30min.
I send you the monthly report of R.
4 your I's.
I'll be glad if you're still interested in visiting IL.
And have a look into R. And probably other things as well.
Better dates could be between 10-20 of August. Or around mid-September.
Let me know please.
Yours
EB
